I am passionate about creating engaging and user-friendly web interfaces, and I am eager to apply my skills and experience as a Front-End Developer. With a strong background in React, JavaScript, and UI/UX design, I am excited to contribute to innovative projects that prioritize both functionality and aesthetics. I am particularly drawn to roles where I can continue to grow and refine my front-end development skills while delivering high-quality user experiences.

Work history

Personal Fitness Trainer, Megatlon

Av. Libertador 2421, AR | December 2018 - Current

Improve people's quality of life through physical activity, the development of social ties, and the promotion of healthy habits. Teach all kinds of techniques.

Entrepreneur Personal Trainer , Self Employed

Buenos Aires, AR | December 2017 - Current

YES is a workout program that I created that will help you get stronger week by week according to your schedule. I will help you monthly through my workouts and challenges to motivate you whenever you have free time. Whatever works for you and your goals.

Freelance Software Developer, Self-employed

Buenos Aires, AR | November 2023 - August 2024

As a Freelance Software Developer, I have gained valuable experience building websites using React, JavaScript, Node.js, Sass, and Bootstrap. I have also worked extensively with SQL, creating and managing tables, updating data, and performing necessary deletions. Additionally, I have utilized Figma to design user interfaces and enhance user experiences.

Crossfit and Customer Service, SportClub

Buenos Aires, AR | April 2023 - September 2023

Welcoming guests. Design programs based on daily health and fitness.

Judge, CrossFit Games

DIRECTV Arena, Tortuguitas, Buenos Aires, AR | November 2017 - November 2017

Check wide range of abilities with time and perfection.

English Teacher, Quebec Language Center

Sabana Grande, Caracas 1050, Dist, VEN | January 2014 - September 2014

Develop student's oral and written communication skills, like writing formal letters, reports, speeches and short stories. Taught sentence structure, grammar, vocabulary and pronunciation.

Customer Services Manager, St. Petersburg College

6605 5th Ave N, St. Petersburg, FL 33710, USA | January 2004 - December 2013

Worked in a gym receiving people. Good communication, and problem-solving. Login them and signing them out. Creating memberships and checking that all machine worked correctly.
