I am passionate about creating engaging and user-friendly web interfaces, and I am eager to apply my skills and experience as a Front-End Developer. With a strong background in React, JavaScript, and UI/UX design, I am excited to contribute to innovative projects that prioritize both functionality and aesthetics. I am particularly drawn to roles where I can continue to grow and refine my front-end development skills while delivering high-quality user experiences.

## Work history

---

### **Freelance Software Developer, Self-employed**

Buenos Aires, AR | November 2023 - August 2024

As a Freelance Software Developer, I have gained valuable experience building websites using React, JavaScript, Node.js, Sass, and Bootstrap. I have also worked extensively with SQL, creating and managing tables, updating data, and performing necessary deletions. Additionally, I have utilized Figma to design user interfaces and enhance user experiences.

### **Personal Fitness Trainer, Megatlon**

Av. Libertador 2421, AR | December 2018 - Current

Improve people's quality of life through physical activity, the development of social ties, and the promotion of healthy habits. Teach all kinds of techniques.

### **Entrepreneur Personal Trainer , Self Employed**

Buenos Aires, AR | December 2017 - Current

YES is a workout program that I created that will help you get stronger week by week according to your schedule. I will help you monthly through my workouts and challenges to motivate you whenever you have free time. Whatever works for you and your goals.

### **Crossfit and Customer Service, SportClub**

Buenos Aires, AR | April 2023 - September 2023

### **Judge, CrossFit Games**

DIRECTV Arena, Tortuguitas, Buenos Aires, AR | November 2017 - November 2017

### **English Teacher, Quebec Language Center**

Sabana Grande, Caracas 1050, Dist, VEN | January 2014 - September 2014

### **Customer Services Manager, St. Petersburg College**

6605 5th Ave N, St. Petersburg, FL 33710, USA | January 2004 - December 2013
